

Force Care Coordination +, LLC is an active member of Aging Life Care Association™ and looking to grow our professional geriatric care management services within the nine northeastern counties of Indiana. We are seeking qualified candidates for a full-time salaried position.

The Aging Life Care Professional® provides comprehensive care management services to a variety of clients. A typical caseload is 15-20 clients which may include the frail and elderly living with cognitive impairment, community veterans, and older adults in need of legal oversight. Clients may live at home or in any type of community or institutional setting.

**Qualifications:**

1. A Bachelor's Degree in social work, gerontology, nursing, psychology, physical therapy, occupational therapy, health and human services, or a related field of human services delivery preferred.
2. Experience working with the elderly within a public or private agency. Relevant settings would include home health care, medical clinics, hospitals, private service agencies, public social services, nursing homes, residential housing agencies, and care management agencies.
4. Helpful but not required is knowledge and experience in working with Guardianship, Trusts, and related fiduciary issues.
5. Credit in the application process will be given to advanced certifications or licenses such as LCSW, LPC, CRC, CCM, CMC, and CAC.
